

**London School of Academics Enhancement Strategy for Student Learning Opportunities for the Level 5 Diploma in Education and Training**

London School of Academics is committed to enhancing the learning opportunities for students. To achieve this our provider sets out enhancement strategy initiatives from the information gathered from stakeholders. We have outlined below the process of setting enhancement strategy initiatives to display the deliberate steps taken to improve the quality of students` learning opportunities. This strategy has been developed to take account of the UK Quality Code (assuring enhancing academic quality). This strategy is subject to change following annual programme review in August.

**Stage 2:**

Information is systematically considered during the annual programme review meeting by our team. From the annual programme review meeting, our team with student representatives identify good practice and opportunities for further improvement. These inform the development of our enhancement strategy initiatives.

This year`s enhancement strategy initiatives are student employability, and student personal and academic development. These have been informed by previous annual programme monitoring and review.

**Stage 3:**

Stage 2 enhancement strategy initiatives are communicated to the team and students. They are then applied in practice. The following table sets out the steps to be taken and by who to ensure application. As a further measure to ensure the implementation of enhancement goals an internal Enhancement Strategy Action Plan is established.

<b>Student employability</b>		
<u>Steps to be taken</u>	<u>Reason</u>	<u>Responsibility</u>
Lecturers, mentors and the Student Welfare Officer to continue to offer advice on employment.	To enable students the opportunity to talk and work with someone on looking for jobs, creating and developing a CV, job searching and completing application forms.	Director and Curriculum Manager
Continuing to invite external career advisors and external agencies to our provider to provide career advice and recruit students for teaching jobs.	External career advisors will provide students with an insight into what employers are looking for when recruiting. External agencies can offer specific advice CV writing and application completing as well as offering students the opportunity to apply for the teaching jobs they offer. Advisor and recruiter visits to be scheduled into student time tables.	Director, Curriculum Manager and Student Welfare Officer
